Terms: By activating or using your Card or using your Card Account, you agree to the terms of this Agreement. If you do not agree to the terms of this Agreement, do not use the Card or Card Account. You can cancel the Card and request a refund by check by calling us at the number contained in the "Contact Information" section above. There is a fee for obtaining a refund by check (see Schedule of Account Fees for fee information).

Business Days: Our business days are Monday through Friday, excluding federal holidays. Any references to "days" found in this Agreement are calendar days unless indicated otherwise.

Prepaid Account: The Card is a prepaid card. The Card allows you to access funds loaded or deposited to your Card Account by you or on your behalf. Your Card Account does not constitute a checking or savings account and is not connected in any way to any other account you may have. The Card is not a gift card, nor is it intended to be used for gifting purposes. The Card is not a credit card. The Card is not for resale. You will not receive any interest on the funds in your Card Account. The funds in your Card Account will be insured to the maximum limit provided by the FDIC provided we have been able to fully verify your identity. Your funds will never expire, regardless of the expiration date on the front of your Card. The Card is our property and must be returned upon our request. We have the right to instruct a merchant to keep the Card and return it to us. The Card is not transferable.

Important Information about Procedures for Opening a New Card Account: To help the government fight the funding of terrorism and money laundering activities, federal law requires that we obtain, verify and record information about each person who opens a Card Account. When you open a Card Account, we will ask for your name, address, social security number, date of birth and other information that will allow us to identify you.

Authorized Users: You may request an additional Card ("Secondary Card") for another person. You may also permit another person to have access to your Card or Access Information. However, you are liable for all Card transactions made by those persons. You must notify us to revoke permission for any person you previously authorized to use your Card or a Secondary Card. You are responsible for all transactions and fees incurred by you or any other person you have authorized to have access to your Card or Card Account. If you tell us to cancel another person's use of your Card or a Secondary Card, we may close your Card Account and issue a new Card to you with a different number. You are wholly responsible for the use of each Card and Secondary Card according to the terms of this Agreement.

Registration: You may register your Card at ipaycard.app. By registering your card, you will be able to view account balance, certain transaction, and other related information online.

Activating your Card: You will need to activate your Card when you receive it by following the instructions accompanying this Card.

Card Account Access: Once your Card has been successfully activated and your identity verified, you may use your Card to: (1) add funds to your Card Account (see section below labeled "Adding Funds to Your Card Account"), (2) purchase goods or services wherever your Card is honored as long as you do not exceed the value available in your Card Account (see section below labeled "Using Your Card for Purchases"), and (3) withdraw cash from your Card Account (see section below labeled "Using Your Card to Get Cash"). Some of these services may not be available at all terminals.

Limitations on Frequency and Dollar Amounts of Transactions: For security reasons, we may limit the amount or number of transactions you can make with your Card on a daily or monthly basis, or in the aggregate, and we may limit the dollar amount of transactions to or from your Card Account.

Personal Identification Number ("PIN"): You will be provided a PIN at the time your Card is activated. You may reset your PIN by calling 1-866-825-9892. Only one (1) PIN will be issued for each Card Account. You will need a PIN to obtain cash at an ATM or to make a PIN purchase or obtain cash back at a point-of-sale ("POS") terminal.

Adding Funds to Your Card Account; Role of Your Employer: Your employer and other entities ("Entities") that you instruct are responsible for providing the funds directly or through the Automated Clearing House ("ACH") payment system and instructing us to load the amount of designated funds onto the Card. Once the funds are loaded onto the Card you may use the Card for the type of transactions described in this Agreement. We have no obligation to you in the event your employer delays in providing or fails to provide funds to fund your Card. You may instruct other Entities to transfer funds onto your Card by providing them with your bank routing and transit number and account number and having them use an electronic credit sent to us through the ACH payment system. These funds must be received as "good funds" before value will be added to your Card.

Once your Card has been activated, you may login in at ipaycard.app to obtain information about our Bank routing number and your assigned 10-digit Account Number. Our Bank routing number and your assigned Account Number are to be used only for the purpose of initiating direct deposits to your Card Account from domestic payers and authorized ACH debit transactions only. The 16-digit Card Number embossed on your Card should not be used for initiating direct deposits or your deposits will be rejected. You are not authorized to use our Bank routing number and Account Number to make a debit transaction with a paper check, check-by-phone or other item processed as a check. These debits will be declined and your payment will not be processed.

Adding funds is referred to as "loading". You may load your Card Account any time after your identity has been verified and your Card has been activated. The various options for loading your Card Account are described in more detail on our website at ipaycard.app. The maximum number of times you may load your Card per day is three (3). The minimum amount of the value load is \$25.00 and the maximum value of your Card Account is restricted to \$9,999 at any point in time. The maximum amount that can be loaded to your Card Account may not exceed \$10,000 in any 7-day period. Merchants may have additional limitations. All funds are subject to anti-fraud verification procedures that may delay access to the funds. We also reserve the right to reject any requests to load funds to your Card Account. All loads must be made in U.S. dollars. There may be a fee from the originating bank or third party to load funds to your Card Account. You cannot load your Card Account by check or money order.

Using Your Card for Purchases: You can use your Card to purchase goods and services everywhere Debit MasterCard, Maestro cards, or NYCE cards are accepted. If you do not have enough funds available in your Card Account for the entire purchase, you can instruct the merchant to charge part of the purchase to your Card Account and pay the remaining amount with other funds. These are called split transactions and some merchants do not permit them. Purchases are limited to the available balance in your Card Account or \$2,500 per day, whichever is less. Your Card and Card Account cannot be used for illegal charges, at casinos or at gambling websites. If you return merchandise purchased with your Card or cancel a Card transaction, you agree that any refunds will be issued in the form of a credit to your Card

Account. If you use your Card Number or Account Number without presenting your Card (such as for mail order, telephone or Internet purchases), the legal effect will be the same as if you used the Card itself.

If you use your Card at an automated fuel dispenser ("pay at the pump"), the merchant may preauthorize the transaction amount up to \$99.00 or more. If your Card is declined, even though you have sufficient funds available, you should pay for your purchase inside with the cashier. If you use your Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the merchant may preauthorize the transaction amount for the purchase amount plus up to 20% more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. Any preauthorized amount will result in the placement of a "hold" on your available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the preauthorized amount on hold will be removed. If we do not receive the final payment amount, the preauthorized amount on hold will remain in place for thirty (30) days. During a hold period, you will not have access to the preauthorized amount.

Using Your Card to Get Cash: After your Card has been activated, you may use your Card and PIN to obtain cash at ATMs displaying the MasterCard®, Maestro®, Cirrus® or NYCE® Acceptance Mark, or at merchants that have agreed to provide cash back with a PIN purchase. The minimum cash withdrawal at ATMs is \$20.00. The maximum amount of cash you may withdraw at an ATM and via merchant cash back is \$500 per transaction and \$1,000 (only domestic) in any one day or the available balance in your Card Account, whichever is less; merchants, banks and ATM operators may have additional limitations. You can get a receipt at the time you make any transfer using one of the Bank's ATM machines. .

Preauthorized Transfers:

a. Preauthorized credits: If you have arranged to have direct deposits made to your Card Account at least once every 60 days from the same person or company, you can call us at 1-866-825-9892 to find out whether or not the deposit has been made.

b. Right to stop payment and procedure for doing so: If you have told us in advance to make regular payments out of your Card Account, you can stop any of these payments. Here's how: call us at 1-866-825-9892 or write us at Card Services, One Sheakley Way, Suite 175, Cincinnati, OH 45246 in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. There is a fee associated with each stop payment order you give (see Schedule of Account Fees for fee information).

c. Notice of varying amounts: If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set).

d. Liability for failure to stop payment of preauthorized transfer: If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Account Balance and Transaction History: You may determine your current available balance by accessing your Card Account online at ipaycard.app or by calling Customer Service at 1-866-825-9892. A sixty (60) day history of your account transactions is available at ipaycard.app. You also have the right to obtain a sixty (60) day written history of account transactions by calling 1-866-825-9892 or by writing to us at Card Services, One Sheakley Way, Suite 175, Cincinnati, OH 45246. There is a fee for obtaining a written history (see Schedule of Account Fees for fee information).

Card Not Accepted, Account Suspended or Account Closed: We are not responsible and have no liability if your Card or Card Account is not accepted for a charge. We can close or suspend your Card Account at any time for any reason including if the activity on your Card Account appears suspicious. Unusual or multiple purchases may prompt a merchant inquiry or Card suspension to allow us to investigate such unusual activity. We reserve the right, in our sole discretion, to limit

your use of the Card. We may refuse to issue a Card or may revoke Card privileges with or without cause or notice, other than as required by applicable law. You agree not to use or allow others to use an expired, revoked, cancelled, suspended or otherwise invalid Card. If we cancel your Card Account through no fault of yours, you may request a refund of any remaining balance and we will issue you a check equal to the balance of your funds in the Card Account (less incurred fees and charges) at no cost to you. We may charge a fee to issue a check for the remaining balance in all other circumstances. Checks will be mailed to you at the mailing address you have provided to us. Cancellation of your Card Account will not affect any of our rights or your obligations arising under this Agreement prior to cancellation.

Negative Balance: You acknowledge and agree that the value available in your Card Account is limited to the funds that have been loaded to your Card Account by you or on your behalf. Each time you use your Card, you authorize us to reduce the value available in your Card Account by the amount of the transaction and any applicable fees. You may not initiate transactions exceeding the available balance in your Card Account. Nevertheless, if any fees, transaction fees from merchants or other activity cause your Card Account to have a negative balance, you agree to pay us promptly for the full amount of the negative balance. We may deduct the negative balance owing from any current or future funds loaded to your Card Account or any other account you activate or maintain with us. If your Card Account has a zero or negative balance, we may, at our option, cancel your Card Account without notice.

Card Expiration: Unless your Card is automatically renewed by us, it will expire on the date indicated on its face. If there are any funds remaining on the Card after expiration, you may choose to transfer the funds to another Card. If you have questions regarding the funds remaining on your Card, write us at the address in the Contact Information section above.

Dormant Card Accounts: You acknowledge and agree that we may be required by applicable law to turn over to a state government authority any funds remaining on your Card after a period of inactivity or dormancy.

Protecting Your Access Information: To prevent unauthorized access to your Card and Card Account, you agree to keep your PIN, online user name, password, challenge questions, and any other security or access information (collectively, "Access Information") confidential. We recommend that you memorize your Access Information and do not write it down. When entering your Access Information, be sure it cannot be observed by others and do not enter your Access Information into any terminal that appears to be modified or suspicious. If you believe the security of your Access Information has been compromised in any way (for example, your password has been lost or stolen, or someone has attempted to use our website under your user name without your consent), you must notify us immediately.

Lost or Stolen Card or Access Information; Your Liability for Unauthorized Transactions: If you believe your Card or Access Information has been lost or stolen, call 1-866-825-9892 or write to us at Card Services, One Sheakley Way, Suite 175, Cincinnati, OH 45246. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your Card or Access Information, and we can prove that we could have stopped someone from using your Card or Access Information without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers you did not make, including those made by Card, code or other means, tell us at once. If you do not tell us within 60 days from the earlier of the date you electronically access your Card Account, if the unauthorized transfer could be viewed in your electronic history, or the date we sent the FIRST written history on which the unauthorized transfer appeared, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

MasterCard Rules: You may have additional rights under the MasterCard rules, and in some instances such rules provide that you will not be liable for unauthorized use of your Card. To qualify for such protection, you must exercise reasonable care in safeguarding your Card from loss, theft or unauthorized use and notify us promptly upon becoming aware of the loss or theft.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days for the amount you think is in error, so that you will have the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. 7. If we have reason to believe the requested transaction is unauthorized;
8. If circumstances beyond our control (such as fire, flood or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken;
9. Any other exception stated in our Agreement with you.

Communications: If you provide us with your mobile phone number or contact us from your mobile number, you are providing this phone number for us or any third party acting on our behalf to contact you at this number. Governing Law, Court Proceedings, Damages,

Arbitration: Except as set forth in the Arbitration section below, (1) this Agreement will be governed by, construed and enforced in accordance with federal law and the laws of the State of Florida; (ii) any action or proceeding with respect to this Agreement or any services hereunder shall be brought only before a federal or state court in the State of Florida; and (iii) you agree to pay upon demand all of our costs and expenses incurred in connection with the enforcement of this Agreement. If we are served garnishments, summonses, subpoenas, orders or legal processes of any type, we are entitled to rely on the representations therein and may comply with them in our own discretion without regard to jurisdiction.

Assignability: We may assign or transfer our rights and obligations under this Agreement at any time without prior notice to you. The Card Account established under this Agreement is not assignable or transferable by you. Notwithstanding the foregoing, this Agreement shall be binding on you, your authorized users, your heirs, your executors, administrators, guardians, personal representatives, or trustee in bankruptcy.

Waiver: We do not waive our rights by delaying or failing to execute them at any time. To the extent permitted by law and as permitted by the Waiver of Rights and Arbitration below, you agree to be liable to us for any loss, costs, or expenses that we may incur as a result of any dispute or legal proceeding involving your Card Account. If a court finds any provision of this Agreement invalid or unenforceable, such finding shall not make the rest of this Agreement invalid or unenforceable. To the fullest extent possible, any such provision shall be deemed to be

modified so as to be rendered enforceable or valid; however, if such provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

Change in Terms: We may change any term of this Agreement at any time upon notice to you as required by law. If the change is made for security purposes, we can implement it without prior notice to you. Your use of the Card constitutes acceptance of any amendment implemented by us.

Headings: The headings used in this Agreement are for the convenience of reference only and are not intended in any way to define or describe the scope or intent of any provision of this Agreement.

ARBITRATION: PLEASE READ THIS CAREFULLY. YOU AGREE THAT ANY DISPUTE WILL BE RESOLVED BY BINDING ARBITRATION. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY. ARBITRATION PROCEDURES ARE SIMPLER AND MORE LIMITED THAN COURT PROCEDURES. YOU ALSO AGREE ANY ARBITRATION WILL BE LIMITED TO THE DISPUTE BETWEEN YOU AND US AND WILL NOT BE PART OF A CLASS-WIDE OR CONSOLIDATED ARBITRATION PROCEEDING.

Agreement to Arbitrate: You and we agree that any dispute will be resolved by arbitration. This Agreement is governed by the Federal Arbitration Act (FAA), 9 USCS § 1 et seq. and the substantive law of the state of Florida.

Definitions: Arbitration is a means of having an independent third party resolve a dispute. A "dispute" is any controversy or claim between you and us. The term dispute is to be given its broadest possible meaning and includes, without limitation, all claims or demands (whether past, present or future, including events that occurred prior to the opening of this account), based on any legal or equitable theory (tort, contract or otherwise), and regardless of the type of relief sought (i.e. money, injunctive relief or declaratory relief). A dispute includes, by way of example and without limitation, any claim based upon federal or state constitution, statute, ordinance, regulation, or common law, and any issue concerning the validity, enforceability or scope of this arbitration agreement. The term "you" includes any authorized user and also your heirs, guardian, personal representative or trustee in bankruptcy. The term "us" includes our employees, officers, directors, attorneys, affiliated companies, predecessors and assigns, as well as our marketing, servicing and collection representatives and agents.

Selection of arbitrator. If a dispute arises, the party asserting the claim or defense must initiate arbitration, provided you or we may first try to resolve the matter informally or through customary business methods, including collection activity. The party filing arbitration may initiate and pursue the matter with the American Arbitration Association ("AAA") or JAMS, The Resolution Experts or we may agree upon a different arbitrator described below. If you claim you have a dispute with us, but do not initiate arbitration or select an arbitrator, we may do so. You may obtain copies of the current rules of arbitration and forms and instructions for initiating arbitration by contacting them as follows:

- American Arbitration Association, 335 Madison Avenue, Floor 10, New York, NY 10017-4605 Website: www.adr.org.
- JAMS, The Resolution Experts, 1920 Main Street, Suite 300, Irvine, CA 92614, Website: www.jamsadr.com or by phone at (949) 224-1810 or (800) 352-5267

The policies and procedures of the arbitrator will apply provided that they are consistent with this arbitration agreement. To the extent the arbitrator's rules or procedures are different than the terms of this arbitration agreement, the terms of this arbitration agreement shall apply. If either of the arbitration firms are not available to adjudicate the matter, or if the neither is convenient or acceptable to you, you and we may agree on one or more neutral arbitrators. If you and we cannot agree on arbitrator(s), an arbitrator will be appointed by a court with jurisdiction over the matter pursuant to the FAA.

Cost of Arbitration: We will pay the filing fee and any costs or fees charged by the arbitrator regardless of whether you or we initiate the arbitration. Except where otherwise provided by applicable law, each party will be responsible for its own attorneys' fees and other expenses. Unless prohibited by law, the arbitrator may award fees, costs and reasonable attorneys' fees to the party who substantially prevails in the arbitration.

Place of Arbitration: Unless you and we agree to a different location, the arbitration will be held in the same city as the U.S. District Court closest to your then-current mailing address. The arbitrator may decide the matter based upon written submissions by the parties if permitted under the arbitration rules.

Waiver of Rights: You are waiving your right to a jury trial, to have a court decide your dispute, to participate in a class action lawsuit and to certain discovery and other procedures that are available in a lawsuit. The arbitrator has the ability to award all remedies available by statute, at law or in equity to the prevailing party. You and we agree that the arbitrator has no authority to conduct class-wide proceedings and will be restricted to resolving the individual disputes between you and us. If an arbitration firm or arbitrator fails or refuses to enforce the waiver of class-wide arbitration, then the dispute will proceed in court. The validity, effect and enforceability of this waiver of class action lawsuit and class-wide arbitration is to be determined solely by a court of competent jurisdiction and not by the arbitration firm or arbitrator. If such court refuses to enforce the class-wide arbitration waiver, then it is agreed the dispute will proceed in court rather than arbitration.

Review of Arbitration Award. The arbitrator shall apply applicable federal and South Dakota substantive law and the terms of your Agreement with us. The arbitrator shall make written findings and the arbitrator's award may be filed with any court having jurisdiction. The arbitration award shall be supported by substantial evidence and must be consistent with your Agreement with us and applicable law or may be set aside by a court upon judicial review.

Other Provisions: If any portion of this arbitration agreement is subsequently deemed unenforceable, the enforceability of any other provision of this arbitration agreement shall not be affected and the unenforceable term shall be amended such that it is enforceable to the maximum extent permitted by law provided that if a class action litigation or a class-wide arbitration is permitted for any reason, either party may require that the entire dispute be heard by a Judge, sitting without a jury, under applicable court rules and procedures. This arbitration provision shall survive: (i) termination or changes in your Agreement with us, your Card Account, or the relationship between you and us concerning your Card Account; (ii) the bankruptcy of any party; and (iii) any transfer, sale or assignment of the Card Account, or any amounts owed on the Card account, to any other person or entity.

Right to Opt-Out: If you do not wish to agree to arbitrate all disputes with us, you must advise us in writing at the following address within thirty (30) days of our mailing this Agreement to you at the most recent mailing address we have for you:
